

Dear friends of Switzerland,

The Japan Swiss Society was founded about sixty five years ago. The primary purpose of this Society is the cultivation of mutual friendship and exchange of culture between the peoples of Japan and Switzerland. Today, the Japan Swiss Society is comprised of a large number of individual members and corporate members of both nationalities, who through their active participation have promoted the Society into a leading member of the international community in Japan. Its independent counterpart operates under the name of The Swiss Japan Society in Switzerland.

Each year the Japan Swiss Society sponsors a number of projects of a Swiss cultural nature, such as libraries, exhibition, concerts, film festivals, publications and lectures. Furthermore, events are organized for its members in the form parties, an annual ball, concert visits, sports tournaments, discussion circles, film showings and family outings. The Japan Swiss Society is guided by a Board of Directors made up equally of Japanese and Swiss members.

We believe that there are many Japanese and Swiss citizens who are interested in keeping in close contact with Switzerland, and who want to join and support the Japan Swiss Society. The Secretariat will be pleased to receive your application. Please complete the application form below and send it together with the annual membership fee of 4,000 Yen for an individual membership and 5,000 for a couple or 30,000-Yen for a corporate member.
